# COLOUR YOUR LIFE

*Everything looks better in colour. Even better when it's  
paired with gold, or when it shines like the rarest gemstone  
you've ever seen.*

*Love is to receive  
a glimpse of heaven.*

# HEAVEN UPSIDE DOWN

*I don't attract what I want,  
I attract what I am.*

# INSPIRED BY NATURE

Jewellery collections are often inspired by the organised chaos in nature. The force of wind and water that bends life in different shapes and sizes. The colour of the sun and its effect on the flowers. The way light reflects and breaks in the water. It's chaos in splendid harmony.

*Choose your jewellery to be remembered,  
not simply to be noticed. It is something  
that has to do with emotion. That aspect of jewellery  
really is to be cherished.*
