

AUCIELLE

18K JEWELLERY

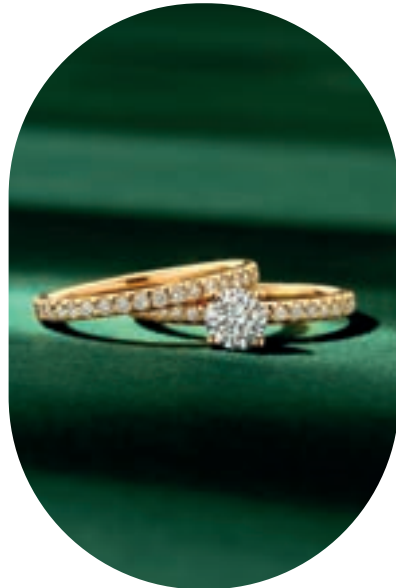

Exceptional brilliance, timeless elegance

Innovation drives us and your personal choice inspires us. That is why, with our '2026 style book', we introduce a new generation of accessible luxury: **lab-grown diamonds**. Each piece, crafted in 18K gold, reflects our signature elegance, quality and refined craftsmanship. Whether you choose sparkling CZ, natural diamonds, lustrous freshwater pearls, colourful gemstones or the refined brilliance of lab diamonds, the choice is yours.

AUCIELLE

18K - LAB DIAMONDS

Persoonlijke keuze

Innovatie drijft ons en uw persoonlijke keuze inspireert ons. Daarom introduceren we met onze 'style book 2026' een nieuwe generatie van toegankelijke luxe: **lab-grown diamanten**. Elk juweel, vervaardigd in 18K goud, weerspiegelt onze kenmerkende elegantie, uitstekende kwaliteit en verfijnde afwerking. Of u nu kiest voor sprankelende CZ, natuurlijke diamanten, glanzende zoetwaterparels, kleurrijke edelstenen of de verfijnde schittering van lab-grown diamanten, de keuze is aan u.

Inspiré par la nature, sublimé par l'innovation

L'innovation nous anime et vos choix personnels nous inspirent. C'est pourquoi, avec notre 'style book 2026', nous présentons avec fierté une nouvelle génération de luxe accessible: **le diamant créé en laboratoire**.

Chaque bijou, façonné en or 18 carats, reflète notre élégance signature, notre qualité reconnue et le savoir-faire raffiné. Que vous choisissiez des CZ étincelants, des diamants naturels, des perles d'eau douce lumineuses, des pierres colorées ou l'éclat raffiné des diamants de synthèse, le choix vous appartient.

Identical in beauty

Lab diamonds are physically, chemically and optically identical to mined diamonds. The only difference lies in their origin and time they take to form. Created above ground in just weeks using advanced technology, they offer the same exceptional brilliance and timeless elegance.

Certified by the finest

We use only premium, colourless lab-grown diamonds in DEF colour and VS clarity or higher. Every jewel is accompanied by an Aucielle certificate, a mark of exceptional craftsmanship. For diamonds of one carat and above, certification from world-renowned institutes such as IGI or GIA provides additional transparency and trust.

Cubic Zirconia

Cubic Zirconia (CZ) is a high-quality, lab-created alternative to diamonds made with zirconium oxide instead of pure carbon. Visibly brilliant and with an accessible price, it is a beautiful choice for refined, everyday luxury.
